

At South Hills, Fellowship Groups are our way of engaging with one another on a deeper level through small groups of 10-20 people who meet throughout the week. To connect with a Group, please see a Shepherd or contact the office.

welcome!

If you are visiting with us today, you are our honored guest! Please stay after services so we can meet you and give you a welcome gift!

What Will You Experience in Today's Worship?

Though we view our whole lives as worship to God, we gather all together on Sunday mornings for community worship.

Singing

We worship using a cappella music, which means we do not use instruments. We do this to encourage engagement by the entire, gathered body, regardless of ability or talent.

The Lord's Supper

We participate in the Lord's Supper every Sunday. Each Sunday a different church member will share a pertinent thought and prayer before we take of communion.

Scripture

Each week we read Scripture together and hear a relevant message from scripture.

DISCIPLESHIP

We believe Jesus wants every person to be His disciple and live an abundant life in His Kingdom.
